## Robbins Farm Park History Project

Robbins Mansion & Dog, 1936

These granite benches and stones mark the corners of Farmer Nathan Robbins's mansion which stood on this site from 1884-1942. The dog sculpture is a replica of the original which "stood guard outside," a feature of the grounds much beloved by local children.

Robbins History Project  
Robbins Farm Park

*The Robbins History Project, funded by FoRFP, consists of two parts: the House and the Dog. Granite blocks will mark the location of The House of our community's great benefactor, Farmer Nathan Robbins. The Dog will be a replica of his dog statue that was beloved by the children of Arlington, for whom he donated his farm to become our park.*
